Kristen Distributing donates \$10,000 to Unbound Bryan/College Station.

BRYAN, Texas (March 27, 2021) – Kristen Distributing donated \$10,000 to Unbound’s Night of Hope event last night in Bryan College Station. These funds will support anti-human trafficking projects and Unbound’s work in the coming year. In addition, Kristen Distributing has partnered with the National Beer Wholesalers Association (NBWA) as part of a nationwide campaign to help combat human trafficking in communities across the United States.

“As a local business, Kristen Distributing is always looking for ways to make a difference in the Brazos Valley” said John Kristen, President. “Sadly, every community is vulnerable to the horrors of human trafficking, and the Brazos Valley is no exception. The hardworking men and women of Kristen Distributing are now prepared to be an extra set of eyes and ears on the ground in the fight against human trafficking.” Beer distributors collectively visit more than 640,000 retail establishments across the country, including bars, restaurants, hotels, convenience stores, package stores, sports arenas, and grocery stores. Employees of Kristen Distributing are uniquely positioned to combat this heinous crime given their access to locations at accounts often unseen by the public.

Unbound BCS works to educate and empower youth, spread awareness through citywide outreach and provide human-trafficking presentations to groups and organizations within local communities. Unbound also advocates for survivors by providing immediate needs and volunteering services to help each survivor through his or her unique restoration process.
